

Week 4: Execution & Evidence Building

Implement the reallocation and document results for organizational credibility.

Instructions

Implement the reallocation from Week 3. Track the time shift. Document one judgment-layer decision per day that AI could not have made.

Daily Decision Log

Wednesday			
Thursday			
Friday			

Week 4 Metrics

UPDATED EJR (MEASURED THIS WEEK)

CHANGE FROM WEEK 1 EJR

Manager Conversation

Schedule and complete a conversation with your manager. Frame it as:

"I've been auditing where my time creates the most value, and I've found I can deliver significantly higher strategic output by automating my routine work. Here's my proposal."
